

DO YOU WANT TO BE FINED FOR DOING 25MPH?

**(Or you could even lose your licence
for doing just 21mph four times?)**

Hammersmith & Fulham Council (LBHF) wants to bring in a 20mph speed limit on **all** of its roads. Even main roads like Fulham Palace Road, Hammersmith Road and Shepherds Bush Green.

Despite a biased consultation, **55% said No**, but LBHF won't respect it. An artificially low limit could be enforced by speed cameras, or vehicle and property-damaging speed humps. You could be fined for doing a speed that's safe and legal in most of the UK. But we can stop it.
